Connecticut is delighted to celebrate the 20th anniversary of the filming of "Mystic Pizza." As this film has become a classic over time, it has continued to gain in popularity and turned a small coastal pizza shop into an attraction for tourists and film buffs alike.

Connecticut continues to make efforts to grow the film industry and with over \$500 million spent on productions in the state in the past two years, more classic Connecticut films will be made right here within our borders.

I hope that you will take this opportunity to enjoy the area. Stop in. Eat pizza. Buy a souvenir and take home your own slice of Mystic.
